FOR ALL NEWS ROBERTS ROAD ELEMENTARY

February is a SWEET Month at RRE!

Teacher of the Year

The Roberts Road Elementary 2016-2017 Teacher of the Year is kindergarten teacher Desiree Bonnie. The Rookie of the Year is third grade teacher Shakevia Hines and the paraprofessional of the year is Laura Tank.

We are so proud of Mrs. Bonnie, Ms. Hines, and Mrs. Tank for all of the wonderful things they do for the students and staff of RRE. Congratulations to these wonderful Roberts Road Elementary staff members! We are so lucky to have you on Team RRE!

National School Counselor Week

February 6th-10th is National School Counselor Week, and we have THE BEST! Let's celebrate and recognize our awesome school counselors, Mrs. Courtney Kerlick and Mrs. Laney Sikorski. We are so lucky to have them here at Roberts Road Elementary serving and loving our students!

American Heart Association

Jump Rope for the Heart and RRE PE classes are teaming up to raise funds from 2/2/17 to 2/24/17. Many thanks to students and families for supporting this important cause!!

Kindness Week February 6-10:

This week RRE students and staff will be scattering seeds of kindness throughout the school and community. Students will be dressing up to support the week. Ask your student about the RRE Kindness Challenge today!

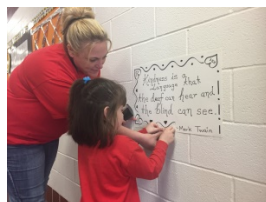

Motivational Monday- Kindness Rocks!
Dress like a rock star.

Tenderhearted Tuesday -Kindhearted at any age. Dress like an elderly person

Work Together Wednesday- Nothing Beats Kindness or Team Kindness

Thoughtful Thursday- Dream of Kindness!
Pajama Day

Friendly Friday- Twice as Kind! Match with a friend

School Hours:
8:30-3:50

AM Drop Off Help Needed:

When dropping students off in the morning, please pull up as far as possible to allow for the maximum amount of cars to drop off students. For those families choosing to not wait in the car rider line, please park and have an adult walk the students into the building.

PM Pick-Up Help Needed:

Parents who are picking students up as a pick-up should park and come to the appropriate front side door with the assigned number for your child. We ask that parents refrain from having your child run across the parking lot as they come out of the walker/ biker line. It is very dangerous to have students running through the parking lot to waiting cars.

THANK YOU CAR RIDER FAMILIES!

Thank you so much for working with us by displaying your yellow car rider numbers during dismissal. We appreciate your understanding of this policy and willingness to make sure you display your yellow tag every day. You are so appreciated!

Benchmark Testing

While it is important that your child is in school every day, benchmarking and STAAR testing days are extremely important. Waller ISD fourth grade and fifth grade students will be taking their spring benchmarks on the following dates:

- 02/07: 4th Grade Writing Benchmark
- 02/21: 5th Grade Math Benchmark
- 02/22: 5th Grade Reading Benchmark

Please help us support your student by making sure that they are in school on benchmark and testing days. Thank you for your support!

Lunch on Benchmark Days

We will be administering benchmark tests on the following days. There will be no visitors allowed at Roberts Road Elementary School on these testing days. This includes lunch visitors and visitors to the instructional areas. Thank you for understanding.

- February 7
- February 21
- February 22

Valentine's Day at RRE

On Tuesday February 14th, time will be set aside at the end of the day for students to hand out Valentine cards to their friends and classmates and eat snacks. Teachers will send home a total number of students in your child's class soon. Although classrooms will not be having big parties, treats are welcome. Please do not put individual student names on cards. Thank you for your help and support!

Valentine Treat Bags

Student Council is selling Valentine treat bags this year. Bags are \$5. Bags will be distributed to students on February 14th at the very end of the day. Students can enjoy their candy and goodies at home. Check with the front office if you are interested!

Roberts Road Spelling Bee Winner!

Roberts Road Elementary held its annual Spelling Bee on 12/14/16. Josiah Keyes was the winner for our campus. Josiah will represent Roberts Road Elementary in the district spelling bee on February 21st. Congratulations to Josiah and his family!

COUNSELOR'S CORNER

Buddy Bench:

It is our pleasure to share an exciting project that our school will be undertaking over the next few months. We have partnered with our wonderful PTO to place a Buddy Bench on the school playground.

Buddy Benches were the idea of an eight-year old Pennsylvania student named Christian B. and have been used on playgrounds nationwide to help students make connections with their peers.

Buddy Benches are described as "a special bench where students can sit if they are feeling bored or lonely. Our Buddy Bench is blue and labeled "BUDDY BENCH" in big letters. Other students can then go to the bench and ask them if they would like to play or talk.

As part of this project, our counseling team will be coming into your child's classroom to teach your son or daughter about the new Buddy Bench. The "Buddy Bench" can help children who struggle with social, emotional or behavioral issues at recess.

Reasons to use our Buddy Bench

- If you are new to school
- If you want to make new friends
- If your friends aren't here today
- If you want to play something different than what your friends are playing
- If you're having a problem with your friends and you just can't solve it right now/you want to take a break
- If you want to be a buddy

Thank you for your support!

Sincerely,

RRE Counselors Courtney Kerlick and Laney Sikorsky

A NOTE FROM THE LIBRARY

By RRE Librarian Kelli Schmidt

Library News:

Accelerated Reader started last month at Roberts Road. Students are encouraged to read and take a computer test on level appropriate books. After testing, students will earn points based on number of correct responses. Students will collect points throughout the year working toward a specific goal based on their grade level.

Accelerated Reader Goals:

- 2nd Grade: 20 Points
- 3rd Grade: 30 Points
- 4th Grade: 40 Points
- 5th Grade: 50 Points

Students who meet their grade level goal will be invited to attend an end of year celebration complete with ice cream sundaes! It is sure to be a great event!!

Library Year at a Glance:

- April 7: Name that Book Contest
- May 15-19: Spring Scholastic Book Fair
- May: AR Grades 2-5 Celebration
- May 12: All Library Books Returned

READING TIPS FOR HOME

Looking for ways to work with your student at home? The BEST way to help at home is read with your child. Here are some strategies to help you when working at home:

- Create reading rituals and read every day.
- Share different kinds of books.
- Talk about the pictures and ask questions.
- Read with expression. Make silly voices and make the pages come alive!
- Read favorite books again and again!

A MESSAGE FROM THE NURSE

We are working hard at RRE to keep students and staff as healthy as possible and are requesting your assistance in our efforts. As you know, we are approaching flu season and the flu virus spreads easily from person to person through coughing or sneezing by people with the flu. Parents can help protect their children and reduce the spread of influenza viruses by encouraging the use of good cough and hand hygiene etiquette and by keeping their children at home or away from others while ill.

What you can do:

1. Teach your child good cough and hand hygiene etiquette. This includes covering coughs and sneezes with tissues, coughing and sneezing into the inside of the elbow, and discarding used tissues. Hands should be washed frequently with soap and water, and hand washing should last for at least 20 seconds. Do not share personal items like drinks, food, and unwashed utensils.
2. The American Academy of Pediatrics recommends an annual seasonal influenza immunization. Vaccinate your child now!
3. Monitor yourself and your child for flu-like symptoms which include fever (over 100.0 F), cough, sore throat, a runny or stuffy nose, muscle pain, fatigue, body aches, headache and sometimes vomiting or diarrhea. Symptoms may last for several days.
4. Keep sick children at home for at least 24 hours AFTER they no longer have a fever (100.0 F) and flu like symptoms. This is WITHOUT the aid of fever-reducing medications.
5. Make sure your child gets plenty of sleep each night, drinks a lot of water, and eats healthy well-balanced meals.

For more information, visit www.flu.gov for the most current information about the flu. We appreciate your help in slowing the spread of the flu and other illness.

Other RRE Items

Cell Phone Usage in a School Zone

Please help us keep everybody safe at school by keeping your cell phones off while driving your car in the RRE school zone: The Texas Transportation Code states that drivers may not use a cell phone while operating a vehicle within the school zone. Fines for not following the code can be up to \$200. Thanks for helping to keep our students safe.

Pets on School Grounds

We would like to remind you that animals are not allowed on school grounds. Even the most docile of animals can frighten a child or create confusion at that time.

Dress Code at RRE

All WISD students fall under the WISD Code of Conduct and dress code. Please review the dress code and work to adhere to it with your student. Also, we ask that all adult visitors to campus help reinforce the code by following it as well. As always- thanks for your support.

Clinic Procedures

A parent must bring medicine to school. Please do not send it with your child. Medication must be in the original container properly labeled, with the child's name and directions for the time and dosage. A written request to administer drugs must be on file. No medication can be sent home with students.

Follow us on Twitter @RRE_Bulldogs. This is a great way to hear about newsworthy items on campus AND celebrate all of the great things going on here at Roberts Road Elementary!

Inclement Weather Plan:

Student safety is important to the staff at Roberts Road Elementary. Ensuring that students arrive home safely on days where there is lightning or major storms in the area is no exception. On days that storms are predicted for the area, the front office staff will monitor the weather situation. If inclement weather is detected, the following plan will be put into place.

- Walkers and bike riders will be HELD until the weather situation has cleared to a safer level. Once the situation has been deemed safe, students may be released.
- Bus riders will be released.
- Pick-ups to the side door will be released.
- We will attempt to run the car rider line as normal at the appropriate time. Please note, it may not be possible to place a staff member at the end of the drive to call in car numbers. It is important that cars have their yellow tag up and visible especially on these days. This ensures that staff can see car numbers in stormy weather.

Please be patient with us as we run the car rider line on these days. It might take longer than normal to get students loaded in cars. Let the front office know if you need another yellow tag for your car or if you need a second tag for another vehicle.
